Attach additional pages if necessary.

Note that regulators and the cable operator may regard this section as your PEG Access Plan.

Our staff is in constant dialogue with towns and boards regarding day-to-day meeting needs; we assisted towns as they set up virtual meetings in March/April 2020, streaming/archiving more of them than ever! We have approached all 3 selectboards for input about improving online content delivery. To this end, we circulated an online public poll starting in late 2019 to learn more about local viewing habits.

By 2021 we hope to introduce a better on-demand web-based interface for video viewing and audio podcasts.

We work closely with schools, libraries and non-profits, to supplement their in-house audiovisual needs. In late 2019, we created an MMU High School sports TV paid internship, sponsored by a local grocery store.

For 3 months, we notified viewers of the switch from two-digit to four-digit channels, with a 24/7 channel bug on our channels, and ongoing reminders in local papers and on social media. Related branding work continues in 2020-2021. In April 2020 we invested in the Gracenote electronic program guide service for cable viewers.

Other goals include gathering more stakeholder/viewer input, improving our website presence, establishing a new studio space and launching a pilot multi-camera, remote setup in the first of three town meeting rooms by early 2021.

ADVOCATING FOR COMMUNITY MEDIA

The tradition of public access TV is strong in Vermont, but recent FCC regulation changes and cable cord-cutting trends threaten our cable viewer revenue and future.

We face the challenge of trying to improve our services, while diversifying our \$160,000 budget. MMCTV appreciates the increased support of our towns and is advocating for itself statewide through the Vermont Access Network, an organization made up of 25 centers like MMCTV.

To learn how you can support our efforts or sign up for our monthly enewsletter contact us at mmctv15@gmail.com or tel. 434-2550.
